

OTHER FEES RELATED TO POSTAL SERVICES (HUF)

1. Postage due fees for letter mail

- 1) The fee for the service is tax exempt.
- 2) For domestic non-priority non-registered letters (postcards, picture postcards) with insufficient postage paid, a postage due fee equivalent to the unpaid fee must be paid in addition to the unpaid fee.
- 3) With postage due fees that end in a figure other than 5 or 0, Magyar Posta applies the rules of rounding.

1/A. Fees payable for correcting deficiencies in preparing postal parcels for posting

- 1) If a sender with a separate written contract does not meet, or does not meet satisfactorily, the conditions for preparing mail items for posting, and in particular the requirements laid down in point 3 of the [General Terms and Conditions for Postal Services](#) and in the separate written contract with regard to the contents, packaging, sealing and addressing of mail items as well as the use of receptacles and the placement of mail items in them, or if a difference or irregularity is found between the data featured in the electronic posting list and the data of the mail items actually handed over for posting (e.g. repeatedly missing "Cumbersome" special service/handling markers; postal parcels are not provided with an address label), Magyar Posta will charge the separate fee laid down in paragraph 2) for the difference or irregularity.
- 2) The fee for the service is subject to 27% VAT.

	gross
Fee for repacking per item	1 330
Fee for repacking entire pallet (the quantity of mail placed in the receptacle)	13 350
Administration fee (despite Magyar Posta's notice, the sender repeatedly fails to mark the "Cumbersome" special service/handling on parcels exceeding 600x600x1200 mm), to be charged on all mailings after receiving the notice, per item	10 000
Administration fee (for other deficiencies) per item	670

1/B. Other tariffs related to MPL Business Parcel Service

- 1) The basic gross value to calculate fuel surcharge is HUF 390.

2. Individual fees to be paid for return delivery and fees to be reimbursed

- 1) The VAT category of the fee for the service is the same as that of the postal service related to the mail item to be returned.
- 2) Magyar Posta will endeavour the return delivery to the sender of mail items that cannot be delivered to the addressee or other authorised recipient in accordance with the provisions of Point 6.12 of the [General Terms and Conditions for Postal Services](#) without charging an extra fee with the exception of the provisions of paragraphs 6) to 10).

3) If Magyar Posta charges for the return delivery, it will deduct the fee – with the exception of the disparate provisions included in paragraph 3/A) – for the return delivery from the fee already paid for services and additional and supplementary services which were not performed, and the remainder of the fee for the unperformed services and additional and supplementary services will be refunded to the sender. If the return delivery fee is not more than the fee for the unperformed services and additional and supplementary services, the difference must be paid by the sender upon return delivery.

3/A) If Magyar Posta charges a fee for the return delivery of an MPL Postal Parcel or MPL Business Parcel, the fee is to be paid upon the return delivery – prior to the acceptance of the parcel – by the authorised recipient. After the return delivery fee has been fully paid, based on the sender's specific request made at the time of the return delivery, Magyar Posta will subsequently reimburse to the sender any previously paid amounts for additional and supplementary services which have not been provided.

4) -¹

5) -²

6) For the return delivery of MPL postal parcels the fee payable is HUF 1,520.

7) The return delivery fee of MPL Business parcel used without signing a written contract is HUF 1,520 gross, ³Posted at a Parcel Terminal and addressed to the same Parcel Terminal (parcel retention) except for posted parcels. For the return delivery of postal parcels posted with the addressee pays additional service, the fee for the unperformed services is deducted from the aggregate sum of the fee payable by the addressee and the return delivery fee, with the exception of the addressee pays additional service fee.

8) -⁴

9) When an international postal parcel or international priority postal parcel is returned, both the fee determined by the foreign postal operator participating with Magyar Posta and the fee for an MPL postal parcel of the same weight are charged.

10) For Európa+ and MPL Europe Standard parcels, returning the items (return delivery) is free of charge. When returning a Európa+ parcel posted with the Inverz service and an Inverz MPL Europe Standard parcel from the International Office of Exchange, the fee for an MPL Business parcel of the same weight and delivered to the door will be charged.

3) Dispatch quantity

The minimum amount for dispatch is 201 mail items.

4) When determining the dispatch amount

- the amounts of letters, identified letters (postcards, picture postcards) in the same weight category can be grouped together,
- registered mail items posted with different additional and supplementary services may be combined within the same weight category,

¹⁵ If the sender, by applying the provisions of paragraph 14) of point 3.5 of the GTC FOR POSTAL SERVICES published on Magyar Posta's website, uses a list (list of addresses) to address mail items, such mail items will enter the postal network as part of the acceptance activity of the National Logistics Centre at the NLC's technological premises, in the Newspaper Logistics Unit.

¹⁵ If the sender, by applying the provisions of paragraph 14) of point 3.5 of the GTC FOR POSTAL SERVICES published on Magyar Posta's website, uses a list (list of addresses) to address mail items, such mail items will enter the postal network as part of the acceptance activity of the National Logistics Centre at the NLC's technological premises, in the Newspaper Logistics Unit.

- c) the quantities of non-registered and registered mail may not be combined.

5) For each dispatch

- a) for senders without a written contract for postal services: the number of mail items posted by one sender on one posting list,
- b) for senders with a written contract for postal services:
 - 1. the number of mail items posted by one sender on one posting list,
 - 2. the number of mail items on one or more posting lists posted in the National Logistics Centre in the same delivery by a sender with the same customer code¹⁷.
- c) Magyar Posta only accepts registered letter-mail items in excess of 50,000 pieces per dispatch based on prior capacity consultations.

6) Suitability for automated processing

- d) ⁻¹⁹
- e) ⁻¹⁹
- f) ⁻²⁰
- g) ⁻¹⁹
- h) The criteria for automated processing can be found on the page [Correct addressing and preparation of mail items for posting](#) Magyar Posta may change the conditions published on the website unilaterally.

7) Other conditions

- a) If the mail items are not suitable for automated processing, the service may be used for the fee set for standard items.
- b) For senders without a written contract for the use of the postal service, the mail items are to be placed in separate receptacles for each fee factor.
- c) The mail items may be posted at the postal service outlets listed in the document Postal Service Outlets on the web page GTC for Postal Services and at the Acceptance Points at Operational Units (of those listed only in the National Logistics Centre and the Post Office in the Pest Letter Centre).
- d) If the sender, by applying the provisions of paragraph 14) of point 3.5 of the [GTC for Postal Services](#) published on Magyar Posta's website, uses a list (list of addresses) to address mail items, the place of acceptance of such mail items will be that postal service outlet or Acceptance Point at an Operational Unit where the mail items enter postal network irrespective of the fact whether or not the list containing the addresses (list of addresses) is available to Magyar Posta at the time of the handover of the mail items or not.

¹⁷ Customer code: The customer code is an 8-digit number which identifies contractual clients (customers) in Magyar Posta's SAP system who give or receive an invoice as a supplier or customer.

¹⁸ Repealed on 1 December 2019.

¹⁹ From the date of entry into force of the last modification (1 December 2019), the provisions of this paragraph are contained in the document CORRECT ADDRESSING AND PREPARATION OF MAIL ITEMS FOR POSTING.

²⁰ From the date of entry into force of the last modification (1 December 2019), the provisions of this paragraph are contained in subpoint (e) of paragraph (7).

- e) The sender must indicate the number of the inspection permit on both the electronic and paper-based posting lists. Magyar Posta provides posting with the fee for items suitable for automated processing provided the electronic posting lists include the details specified in the relevant technical specification. If the mail items suitable for automated processing are not marked in the electronic posting list in accordance with the conditions specified in the technical specification, the fees stated for standard mail items will be charged for the service.

8) For senders who also comply with the separate conditions set out in subpoints (a) to (c) in full, Magyar Posta will provide for the period of time given in paragraph 9) the acceptance of priority and non-priority identified letters (postcards, picture postcards) at a rate that is HUF 4 lower per item than the rate given in Table 1 for the weight and processing level of the given item when posted at the National Logistics Centre. To be entitled to this rate, in addition to meeting the conditions for the application of the fee set out in paragraphs 3) to 7), separate conditions are that

- a) in a separate declaration, the sender states the specific date (hereinafter the “start date of the fee application”), from which it commits to ensure that 75% of the letter-mail items it sends will consist of priority and non-priority identified letters (postcards, picture postcards);
- b) in the 12 months preceding the sender’s declaration under subpoint (a) and the start date of the fee application, priority and non-priority identified letters (postcards, picture postcards) accounted for an average of no more than 30% of the total volume of mail items sent;
- c) priority and non-priority identified letters (postcards, picture postcards) in quantities of over 2,000 pieces per occasion, prepared for posting and bearing an identification number, are taken into the National Logistics Centre by the sender in a way that their details are assigned to a separate agreement identifier and entered on a separate electronic posting list;

9) The fee calculated in accordance with paragraph 8) will apply for a period of not more than two years from the start date of the fee application.
